The accompanying information circular (the “**Circular**”) explains how shareholders may participate in the Meeting virtually via the Internet.

The Meeting is being held for the following purposes, which are explained more fully in the accompanying Circular:

- 1) To receive and consider the Audited Annual Financial Statements and the Auditor’s Report for the Company for the year ended December 31, 2022;

- 3) To approve an amendment to By-Law #1 of the Company
- 4) To elect the following persons as Directors of the Company for a term ending not later than the next annual meeting: **Robert Barnes, Jody Becker, Meghan Davis, Alex de Korte, Eric Dinelle , Allison Martin, Ryan Seeds, and Ryan Wykes ;**

The Directors of the Company have fixed May 7, 2023 (the “**Record Date**”) as the record date for determining the shareholders entitled to receive notice of and vote at the Meeting. Only shareholders of the Company as of the close of business on the Record Date will be entitled to receive notice of and to vote, in person or by Proxy, at the Meeting.

The Company is using the Notice-And-Access provisions (“**Notice-and-Access Provisions**”) under National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allows issuers to post electronic versions of the shareholder meeting materials online on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”), as well as an additional website, instead of mailing paper copies of shareholder meeting materials to shareholders.

Electronic copies of this notice, the Information Circular, and other Meeting materials (together the “**Materials**”) may be found on the Company’s SEDAR profile at www.sedar.com, as well as at

Computershare's website at www.envisionreports.com/Frontenac2023. The Company reminds shareholders to review the Information Circular prior to voting.

Shareholders will receive copies of a Notice Package (the "**Notice Package**") via pre-paid mail. The Notice Package contains a notice with prescribed information under NI 54-101, a Voter Instruction/Proxy Form (a "Proxy") and return envelope.

The Company will not send paper copies of the Materials to any shareholders unless specifically requested to do so. Shareholders wishing to receive paper copies of the Materials should contact W.A. Robinson Asset Management Ltd. at 1-877-279-2116 x 105 or amber.kehoe@robinsonsgroup.com no later than Friday, June 2, 2023 and the Company will arrange for paper copies to be sent within three business days of such request.

Registered shareholders and persons appointed as proxies pursuant to the Proxy will be entitled to participate fully in the virtual online Meeting, including submitting questions and voting shares. (Non-registered shareholders and shareholders who have appointed proxies to vote on their behalf using the Voter Instruction/Proxy Form will be entitled to virtually attend and observe the online Meeting, but will not be eligible to vote or ask questions at the Meeting.)

Please refer to the attached Circular for further details.

FRONTENAC MORTGAGE INVESTMENT CORPORATION

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) accompanies the Notice of Annual and General Meeting of the Shareholders (the “**Notice**”) of the Frontenac Mortgage Investment Corporation (the “**Company**” or “**FMIC**” or “**Frontenac**”).

The Circular is furnished in connection with the solicitation of proxies and has been prepared by Management of the Company for use at the Annual and General Meeting (the “**Meeting**”) or at any adjournment of the Meeting for the purposes set forth in the accompanying Notice. The Meeting will be held on **Friday, June 16, 2023 at 2:00 p.m. EST**. It is expected that solicitation of proxies will be made primarily by mail and possibly supplemented by telephone or other personal contact by Directors or Officers of the Company, without special compensation, or by employees of W. A. Robinson Asset Management Ltd., the Manager of the Company.

The Meeting will be held virtually via the Internet only. Shareholders will not be able to attend the Meeting in person. Shareholders (both registered and non-registered) who choose to attend the Meeting virtually may only do so by accessing a live webcast of the Meeting via the Internet.

The Circular provides background information not previously provided to you which might be useful in deciding how you wish to vote on matters put before the shareholders. The cost of the solicitation of Proxies herein will be borne by the Company, including the cost of preparing, assembling and mailing Proxy materials and handling and tabulating the Proxies returned.

A voter instruction/proxy form (the “**Proxy**”) will be sent to you in your Notice Package. In the event you are unable to attend the virtual Meeting, the Proxy will allow you to specify how you want to vote your shares at the Meeting and whom you authorize to vote your shares (see ‘How To Vote Your Shares’) below.

The FundSERV platform through which all purchases of common shares of the Company (“**Common Shares**”) are processed, including purchases pursuant to the Company’s dividend reinvestment program, records information on both the registered dealer which purchases and holds the Common Shares as well as the investors for whom such dealers are acting (the “**Beneficial Shareholders**”) for all purchases of Common Shares. Because there is no secondary market for the Common Shares, and because redemptions of Common Shares are also processed through FundSERV, the Company, through its transfer agent and registrar, SGGG Fund Services Inc., is able to obtain accurate shareholder information at all times, including a complete and accurate list of the Beneficial Shareholders. In connection with shareholder meetings, including this Meeting, the Company sends all applicable meeting materials directly to all Beneficial Shareholders or to the registered investment dealer or registered portfolio manager to which a Beneficial Shareholder has granted discretionary authority to vote its Common Shares (each, an “**Intermediary**”), as requested by such registered Dealer or registered Portfolio Manager. For purposes of

the Meeting such Beneficial Shareholders and Intermediaries are deemed to be registered shareholders, except that a Beneficial Shareholder for whom an Intermediary votes the shares beneficially owned by such Beneficial Shareholder will be considered a non-registered shareholder for purposes of the Meeting.

HOW TO VOTE YOUR SHARES

Registered shareholders can vote their shares either: (a) by attending and voting at the virtual Meeting, or (b) by completing and submitting the Proxy in advance of the Meeting.

Voting at the Meeting

If you are a registered shareholder or a person named in the Proxy to vote Common Shares and you will be attending the Meeting (see 'How to Attend the Meeting' below) then you do not need to complete and submit a Proxy in order to vote as you will vote using an online ballot which will be presented to you during the Meeting. Only registered shareholders or their duly appointed proxyholders are entitled to vote at the Meeting.

Voting by Proxy in Advance of the Meeting

Registered shareholders who are unable, or who do not wish, to attend and participate in the Meeting may use the Proxy to submit their voting instructions to authorize the management representatives of the Company to vote their shares as their proxyholder at the Meeting by one of the following methods, no later than 2:00 p.m. EST on June 14, 2023.

By Mail: The completed Proxy, together with the Power of Attorney or other authority, if any, under which the Proxy was signed or a certified copy of the Power of Attorney or other authority, must be delivered to: Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment of the Meeting. Late Proxies may be deposited with the Chairperson of the Meeting (Jody Becker), at the registered office of the Company, prior to the commencement of the Meeting on the day of the Meeting or any adjournment thereof. However, the Chairperson may accept or reject late Proxies at their discretion.

By Internet: The Company has an online registration system available to Shareholders through the internet to allow them to submit their voting instructions at **www.investorvote.com using their control number which is printed on the Proxy. If you have multiple accounts, you may receive a package for each account. With each package, you have received a unique user control number which is associated with the number of shares held in that account. It is very important that you keep your control number for each account as you will need these to properly register your total share count for the Meeting.**

Shareholders submitting their Proxy instructions by any of the above-noted methods other than mail are not required to return a paper form of the Proxy to the Company or its agent, Computershare.

The persons named as Proxyholders in the Instrument of Proxy accompanying this Management Information Circular, including Amber Kehoe, are Directors, Officers, or employees of the Manager of the

Company and are representatives of the Company's Manager for the Meeting. The Corporate Secretary of Frontenac, Amber Kehoe, is named in the accompanying Form of Proxy as the nominee of the Company's Management to exercise your voting rights in your absence. The Corporate Secretary is therefore known as the Proxy Holder for those who agree to have them vote on their behalf.

A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act on the shareholder's behalf at the Meeting other than the representative of the Company's Manager designated as Proxy Holder in the accompanying Form of Proxy. If you wish to appoint an alternate person as Proxy to vote your shares for you at the Meeting during the live webcast, please follow the instructions found on the Proxy. You will need to enter the email address of your appointee on the Proxy. Upon receipt of the Proxy the Company will send a control number to your appointee via e-mail which will allow your appointee to attend the Meeting online and vote your Common Shares on your behalf.

We ask that shareholders voting by Proxy return their Form of Proxy or register their Proxy online as soon as they can after receiving them so that we are assured of having the appropriate number of shares represented either in person or by Proxy at the Meeting. At the very latest, we ask that the Proxies be submitted by 4:00 p.m. EST on June 14, 2023.

Pursuant to section 148 (4) of the *Canada Business Corporations Act* ("**CBCA**"), a shareholder who has given a Proxy may revoke it manually or online:

- a) By depositing an instrument in writing, including another completed Form of Proxy executed by that shareholder or shareholder's attorney authorized in writing either:
 - i) At the registered office of the Company at any time up to and including the last business day preceding the date of the Meeting or any adjournment of the Meeting; or
 - ii) With the Chairperson of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment of the Meeting; or
- b) By signing on at **www.investorvote.com** and changing the appropriate field in the Form of Proxy; or
- c) In any other manner permitted by law.

A shareholder may indicate the manner in which the person named in the Proxy is to vote with respect to a matter to be acted upon at the Meeting by ticking one of the options on the Proxy. All Common Shares represented at the Meeting by properly executed Proxies will be voted "For" or "Against" (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the Form of Proxy, the Common Shares represented by the Proxy will be voted in accordance with such specification.

If no choice is specified in the Proxy with respect to a matter to be acted upon, the Proxy confers discretionary authority with respect to that matter upon the Proxyholder named in the accompanying Form of Proxy. It is intended that the Proxyholder named by Management in the accompanying Form of Proxy will vote the shares represented by the Proxy in favour of each matter identified in the Proxy.

The Proxy also confers discretionary authority upon the named Proxyholder with respect to amendments or variations to the matters identified in the accompanying Notice and with respect to any other matters which may properly come before the Meeting. As of the date of this Circular, Management of the Company is not aware of any such amendments or variations, or any other matters, that will be presented for action at the Meeting other than those referred to in the accompanying Notice. If, however, other matters that are not now known to Management properly come before the Meeting, then the person named in the accompanying Form of Proxy will vote on them in accordance with their best judgment.

HOW TO ATTEND THE MEETING

The Company will hold its 2023 Annual and General Meeting in a virtual only format which will be conducted via live webcast online. Shareholders will not be able to physically attend the meeting in person. Registered shareholders and those appointed by a Proxy to vote Common Shares will be able to virtually attend the Meeting, submit questions for consideration at the Meeting and to vote on all business brought before the Meeting as they would at an in-person shareholders meeting. Non-registered shareholders and shareholders who have appointed another person to vote their shares at the Meeting may not participate at the meeting by asking questions or voting but may attend the Meeting as a guest.

To fully participate in the Meeting, including being able to submit questions for consideration at the Meeting and to vote on all business brought before the Meeting, registered shareholders and those appointed by a Proxy to vote Common Shares are advised as follows:

- To attend the Meeting, shareholders will need to visit [//meetnow.global/MRLGSYW](https://meetnow.global/MRLGSYW). and check-in using the control number included on your Voting Instruction/Proxy Form or which has been e-mailed to you if you are appointed to vote Common Shares as a Proxy holder.
- The Meeting platform is fully supported across browsers and devices running the most updated version of applicable software plugins. You should ensure you have a strong, preferably high-speed, internet connection wherever you intend to participate in the Meeting.
- The Meeting will begin promptly at **2:00** p.m. EST on Friday, June 16, 2023. Online check-in will begin 30 minutes prior, at **1:30** p.m. EST. You should allow ample time for online check-in procedures.

In order to find the Control Number to access the Meeting:

- **Registered Shareholders and Proxyholders:** The control number is located on the Voter Instruction/Proxy Form that has been mailed to you.

We recommend that you log in at least 15 minutes before the start time of the Meeting. It is important to ensure you are connected to the Internet at all times if you participate in the Meeting online, in order to vote when balloting commences. You are responsible for ensuring internet connectivity for the duration of the Meeting.

For non-registered shareholders and those who have appointed somebody else to vote to vote their Common Shares you may not ask questions or vote at the Meeting though you may still attend the meeting as guests, via the Internet as follows:

Internet: Visit [//meetnow.global/MRLGSYW](https://meetnow.global/MRLGSYW).

VOTING SHARES AND PRINCIPAL HOLDERS

Shareholders who appear in the Shareholder list on the record date of May 7, 2023 (the “**Record Date**”) are entitled to receive notice of and to attend and vote at the Meeting or any adjournment of the Meeting (see “*Voting of Shares*” and “*Voting of Proxies and Exercise of Discretion by Proxy Holders*” above).

As of the Record Date, the Company had **6,780,827.0103** Common Shares issued and outstanding which are entitled to be voted at the Meeting. The Common Shares carry the right to one vote per Common Share held. The Company does not have any other class of shares issued and outstanding.

As at the Record Date, to the knowledge of the Directors and Officers of the Company, no person, firm or corporation beneficially owns, directly or indirectly, or exercises control or direction over, voting securities of the Company carrying more than 10% of the voting rights attaching to any class of voting securities of the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Receipt of Financial Statements and Auditor’s Report

The Audited Annual Financial Statements and the Auditor’s Report of the Company for the fiscal year ended December 31, 2022, are enclosed with this Circular. The Audited Annual Financial Statements and the Auditor’s Report are posted on SEDAR at www.sedar.com and on the Frontenac web site www.fmic.ca. The Company received an opinion that the Audited Annual Financial Statements “present fairly, in all material aspects, the statement of investment portfolio as at December 31, 2022, the financial position of Frontenac Mortgage Investment Corporation as at December 31, 2022 and 2021 and the results of its operations, changes in net assets and its cash flows for the years then ended in accordance with International Financial Reporting Standards.”

The Appointment and Remuneration of the Auditor

At the Meeting, shareholders will be asked to vote in favour of the appointment of MNP LLP, as the Auditor of the Company to hold office for the ensuing year. The resolution will also authorize the Board of Directors to fix any required remuneration of the Auditor.

Unless directed otherwise, it is the intention of Management's nominee as Proxyholder, Amber Kehoe, to vote in favour of an ordinary resolution appointing MNP LLP as Auditor for the Company, and to authorize the Board of Directors to fix the remuneration of the Auditor.

Approval of By-Law #1 Amendment

Under Section 3.6 of By-law #1 for the Company which was approved by the shareholders on **June 19, 2020 ("By-Law #1")**, Directors who are initially elected to a one (1) or two (2) year term are permitted to stand for re-election for up to three (3) consecutive terms of three (3) years each thereafter. The full text of Section 3.6 is set out below:

3.6 Terms

Newly appointed Directors shall be elected for a one (1) year term. Thereafter Directors shall normally be elected to a three (3) year term and after three consecutive terms the Directors then in office shall retire but, if qualified, shall be eligible for re-election after one year. To effect orderly changes in Board membership, Directors shall be elected at the first meeting of the shareholders, or at other times, for a term of no less than one (1) year and no more than three (3) years. Directors initially elected to a one (1) or two (2) year term shall continue to be eligible for election for three consecutive three (3) year terms thereafter. Notwithstanding the foregoing, the Directors may by resolution approve a variation to the aforementioned term limits in relation to any particular Director.

On August 31, 2022, amendments to the Canadian Corporations Business Act (CBCA) and associated regulation came into effect that shareholders of a distributing corporation shall, by ordinary resolution at the first meeting of shareholders and at each succeeding annual meeting at which an election of directors is required, elect directors to hold office for a term ending not later than the close of the next annual meeting of shareholders following the election.

Additionally, the aforementioned amendments require majority voting for each candidate nominated for Director in uncontested Director elections of CBCA-incorporated reporting issuers. Where majority voting applies, the form of proxy required by the CBCA must provide shareholders with the option to specify whether their vote is to be cast "for" or "against" each candidate nominated for Director, rather than "voted" or "withheld" from voting as required by subsection 9.4(6) of NI 51-102.

As such, on March 31, 2023, the Board of Directors approved a resolution to amend Section 3.6 of By-law #1, as follows:

3.6 Terms

Directors shall be elected for a term ending not later than the next annual meeting. To effect orderly changes in Board membership, Directors shall be elected at the first meeting of the

shareholders, or at other times, for a term of one (1) year; unless their office is earlier vacated in accordance with the By-Laws of the Company.

Under Section 103(2) of the CBCA, where the Directors of a Corporation make, amend or repeal a By-law, they are required to submit the By-law or repeal to the shareholders of the Corporation at the next meeting of shareholders, and the shareholders may confirm, reject or amend the By-law or repeal.

At the Meeting, shareholders of the Company will be asked to consider and, if deemed advisable, to pass, with or without variation, a resolution (the “**By-Law Resolution**”) confirming the amendment of By-Law #1. The full text of the By-Law Resolution is set out below. If approved, the By-law will immediately come into force.

BY LAW RESOLUTION

“BE IT RESOLVED THAT:

1. Section 3.6 of By-law #1 of the Company be amended as follows:

3.6 Terms

Directors shall be elected for a term ending not later than the next annual meeting. To effect orderly changes in Board membership, Directors shall be elected at the first meeting of the shareholders, or at other times, for a term of one (1) year; unless their office is earlier vacated in accordance with the By-Laws of the Company.

In order to be passed, the By-Law Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Company present in person or represented by Proxy at the Meeting. The Directors of the Company unanimously recommend that shareholders vote in favour of the By-Law Resolution. Unless directed otherwise, it is the intention of Management’s nominee as Proxyholder, Amber Kehoe, to vote in favour of the By-Law Resolution.

Election of the Directors

The Company’s Board of Directors is independent of the Manager. The persons included in the table below are either nominated for election as Directors of the Company or their term of office as directors will continue following the Meeting.

The Board of Directors has two standing committees, the Audit Committee and the Governance/Nominations Committee.

None of the nominees for election as a Director of the Company is, or was within the ten years prior to the date hereof, a Director, Chief Executive Officer or Chief Financial Officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied such company access to any exemption under securities legislation that was, in each case, in effect for a period of more than 30 consecutive days and that was issued while that person was acting in such capacity or that was issued after that person ceased to act in such capacity and which resulted from an event that occurred while that person was acting in such capacity.

None of the nominees for election as a Director of the Company is, or was within the ten years prior to the date hereof, a Director or Executive Officer of any company that, while that person was acting in such capacity, or within a year of that person ceasing to act in such capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

It is the intention of Management's nominee as Proxyholder, Amber Kehoe, to vote in favour of FOR the election of the nominees whose names are set forth above, unless the shareholder of the Company who has given such Proxy has directed that the Common Shares represented by such Proxy be voted against in respect of the election of Directors of the Company.

Management of the Company does not contemplate that any of the nominees will be unable to serve as a Director of the Company for the ensuing year, however, if that should occur for any reason prior to the Meeting or any adjournment thereof, Management's nominee as Proxyholder, Amber Kehoe, has the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee at their discretion.

STATEMENT OF EXECUTIVE COMPENSATION

Summary of Compensation Table

The Executive Officers of the Company also serve as Executive Officers of the Manager (see "*Management Contracts - Management Agreement*" below). Pursuant to the Management Agreement, the Manager directs the affairs and manages the business and administers or arranges for the administration of the

Company's day-to-day operations. The Company does not have any employment agreements with, nor does it pay any compensation to, its Executive Officers. Instead, the Company's Executive Officers are employed and paid compensation by the Manager as Executive Officers and employees of the Manager. In consideration for the management services provided to the Company, the Manager is paid a monthly management fee equal to one-twelfth of one percent of the value of the Company's gross assets, calculated on a monthly basis (see "Management Contracts - Management Agreement" below). All of the outstanding voting shares of the Manager are owned indirectly by Matthew Robinson.

Applicable securities legislation requires disclosure of all direct and indirect compensation provided to each Director and Named Executive Officer ("NEO") of the Company for both of its two most recently completed financial years. NEO is defined by securities legislation to mean: (i) the Chief Executive Officer; (ii) the Chief Financial Officer; (iii) each of the three most highly compensated Executive Officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (iv) each individual who would be a "NEO" under paragraph (iii) but for the fact that the individual was neither an Executive Officer of the Company or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year.

During the financial years ended December 31, 2022 and December 31, 2021, the Company had three (3) NEOs, all of whom were employees of the Manager. The following table and notes thereto provide a summary of the compensation paid by the Manager to each NEO of the Company that is attributable to time spent by such NEO on the activities of the Company, and the compensation paid by the Company to the members of the Board of Directors, for the financial years ended December 31, 2022 and December 31, 2021. The following table is presented in accordance with form 51-102F6V – *Statement of Executive Compensation – Venture Issuers* ("Form 51-102F6V") under National Instrument 51-102 – *Continuous Disclosure Obligations*.

Discussion of Compensation

The Directors' fees described above relate to the work that the Directors are asked to perform on the Board of Directors and on Committees. The Directors provide oversight for the Company over the Manager and Administrator. Detailed activities include: reviewing and approving mortgages, financial oversight (review of financial statements), reviewing materials for the Company at the various Board of Directors' meetings and providing advice and approval of the CEO's strategic direction. In determining the compensation of Directors, the Company considers factors including market rates for compensation of Directors across different economic sectors, the aggregate assets of the Company, the responsibilities and time committed by the Directors and past increases in compensation. The compensation of the Chair is greater than that of other Directors because the Chair assumes a greater workload as they meet with the CEO on a regular basis to discuss the Company's business and with the staff of the Administrator on an as needed basis to review and approve mortgages.

INDEBTEDNESS OF DIRECTORS, EXECUTIVE AND SENIOR OFFICERS

Other than routine indebtedness, no Director or Senior Officer of Frontenac, or any proposed nominee for election as a Director of the Company, or any associate or affiliate of any such Director, Senior Officer or proposed nominee, is or has been indebted to the Company or any of its subsidiaries, or to any other entity that was provided a guarantee or similar arrangement by the Company or any of its subsidiaries in connection with the indebtedness, at any time since the beginning of the most recently completed financial year of the Company.

Except for: (i) indebtedness that has been entirely repaid on or before the date of this Circular, and (ii) "routine indebtedness" (as defined in paragraph 10.3(c) of Form 51-102F5 of National Instrument 51-102 - Continuous Disclosure Obligations), the Company is not aware of any individuals who are, or who at any time during the most recently completed financial year was, a Director or Executive Officer of the Company, a proposed nominee for election as a Director or an associate of any of those Directors, Executive Officers or proposed nominees who are, or have been since the beginning of the most recently completed financial year indebted to the Company or any of its subsidiaries, or whose indebtedness to another entity is, or at any time since the beginning of the most recently completed financial year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries.

DISCLOSURE REGARDING DIVERSITY

The Company recognizes that diversity can make an important contribution to governing excellence. As such the Company has adopted written policies wherein it states that it is desirable to have prospective Director candidates who are members of designated groups, including women, aboriginal peoples, persons with disability and members of visible minorities, and the Board of Directors does consider the level of representation of designated groups on the Board in identifying and nominating candidates for election or re-election to the Board of Directors, and Management. Pursuant to its policies, the Company's Governance/Nominations Committee evaluates the status of the diversity of its Board on an annual basis.

There are presently three (3) women on the Board of Directors (representing approximately 38% of the Directors). At the last Annual and General Meeting of shareholders, one woman was elected to the Board of Directors. There are currently no women in senior management of the Company and there are no Aboriginal peoples, persons with disabilities, or members of visible minorities on the Board of Directors or in senior management.

CORPORATE GOVERNANCE DISCLOSURE

In establishing its corporate governance practices, the Board of Directors has been guided by applicable Canadian Securities Legislation for effective corporate governance, including National Policy 58-201 - Corporate Governance Guidelines. The Board of Directors is committed to a high standard of corporate governance practices. The Board of Directors believes that this commitment is not only in the best interests of its shareholders, but that it also promotes effective decision making at the Board of Director level.

The Board of Directors

Independence

Subject to certain exceptions, a Director is "independent" within the meaning of National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship that could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of a Director's independent judgment. Certain types of relationships are, by their nature, considered to be material relationships.

Currently, all the members of the Board of Directors are independent Directors. These determinations were made by the Board of Directors based upon an examination of the factual circumstances of each Director and consideration of any interests, business or relationships, which any Director may have with the Company.

The Chair of the Board of Directors, Ms. Jody Becker, is an independent Director. The Company does not have a designated lead Director. The Board of Directors utilizes its own in-house expertise, and that of its legal counsel, to provide advice and consultation on current and anticipated matters of corporate governance.

Other Reporting Issuer Experience

None of the Directors of the Company are Directors of other reporting issuers (other than the Company) as of the date of this Circular.

Orientation and Continuing Education

The Company provides new Directors with a copy of Board policies and training on the Carver Policy Governance model which is followed by the Board of Directors. The Company also provides its Directors with training on the 'Basecamp' software package, a project/information management software enabling the sharing of information and documents for the consideration of Directors, tracking and coordinating the critical path of Board mandates, and assisting the Directors in preparing for Board meetings. The Company does not have a formal continuing education program for its Directors but may provide individualized training on an as-needed basis.

Ethical Business Conduct

The Company is committed to maintaining high standards of corporate governance and this philosophy is communicated by the Board of Directors to Management, and by Management to employees, on a regular basis. In order to ensure that the Directors exercise independent judgment in considering transactions and agreements, the Board of Directors requires that all Directors declare any conflicts of interest with issues or situations as they arise. This would include transactions/agreements in which a Director/Officer has material interest. See *"Interests of Management and Others in Material Transactions"*.

Nomination of Directors

The Governance/Nominating Committee is a standing Committee appointed by the Board of Directors and it is responsible for overseeing and assessing the functioning of the Board of Directors and the Committees of the Board of Directors and for the development, recommendation to the Board of Directors, implementation and assessment of effective corporate governance principles. The Governance/Nominating Committee's responsibilities also include identifying candidates for directorship and recommending that the Board of Directors select qualified Director candidates for election at the next Annual Meeting of shareholders.

The Governance/Nominating Committee is composed entirely of independent Directors, currently being Alex de Korte (Chair), Robert Barnes, Allison Martin, Ryan Wykes and Jody Becker

Compensation

In determining the compensation of Directors, the Company considers factors including market rates for compensation of Directors across different economic sectors, the aggregate assets of the Company, the responsibilities and time committed by the Directors and past increases in compensation. The compensation of the Chair is greater than that of other Directors because the Chair assumes a greater workload as they meet with the CEO on a regular basis to discuss the Company's business and with the staff of the Administrator on an as needed basis to review and approve mortgages. Director compensation is typically reviewed every three years.

Other Board of Directors Committees

The Board of Directors has no standing Committee other than the Audit Committee and the Governance/Nominating Committee.

Assessments

The Board of Directors, its Committees and individual Directors regularly self-assess their effectiveness and contribution by way of independent valuation following each quarterly meeting. The self-assessment includes a review of Board preparedness for and participation in meetings, leadership and accountability (to the shareholders), decision making abilities, collaboration and communication, follow-up, and feedback. Self-assessments are provided electronically to the Corporate Secretary for compilation and presentation at the annual Corporate Strategic Session, wherein the results are extensively discussed between the Directors and Management.
